Zanussi Aquacycle 1400 Washing Machine Manual

I never the less used this button & what happened is as described I only needed to turn the dial 8 turns, 40 degrees light wash & the unit made a few cycles then spun at top speed. I tried this although in my machine the 'extra rinse' button is not there but a half load button instead. As you were browsing www gumtree com something about your browser made us think you were a bot. There are a few reasons this might happen:
